

Helendale School District Transportation Plan

FIRST STUDENT - HELENDALE SCHOOL DISTRICT'S TRANSPORTATION SERVICE PROVIDER

This plan was developed in consultation with First Student Transportation Service, CSJPA, and the Helendale School District.

Helendale School District contracts with First Student to provide transportation for all TK-8 students. All students in TK-8 have access to transit to and from school daily. All TK-8 stops comply with board/school regulations for distance and safety. All our schools have buses dedicated to TK-8 age students, with minimal to no sharing of routes with upper-grade levels. No additional contracts are used to transport TK-8 students.

Helendale School District has regular input into the location and times of the routes for each TK-8 school. The school district and California Highway Patrol approve the final list before it is published to parents and families. Classified staff and school admin who oversee support for pupils with disabilities and homeless children and youth can contact First Student to consider an additional stop.

California Highway Patrol conducts annual safety inspections of each bus and keeps a file of each route. Buses are equipped to meet local and state air quality controls. Digital systems on each bus report air pollution and management factors, such as exhaust regeneration and idle time. All vans are smog in compliance with DMV registration and all large buses are smog annually to meet carb requirements. First Student uses clean air diesel in our Cumming engines. "First feedback" is a system that allows families to provide feedback, compliments, or complaints via the web and email. A local phone number is available to the public for any transportation-related issues or to check on the status of a route

Requisition transportation

If a student is in need of transportation and is within our boundaries and within the scope of Regulation 3541 can request a bus stop be added within a responsible distance from their place of residence. The request can be made by contacting the district of their school site.

TRANSITIONAL KINDERGARTEN AND KINDERGARTEN STUDENTS

Pre-Kindergarten and Kindergarten students are required to have a designated person at the bus stop to receive them. However, parents of Pre-Kindergarten and Kindergarten students may sign a waiver that allows the student to walk home unattended or to be picked up by someone else. Pre-Kindergarten and Kindergarten students will be returned to their school of attendance if there is no one to receive the student at the bus stop. The parent will then be responsible for picking up the student(s) from the school site. Future transportation privileges may be suspended if a student is returned to school.
